HAPPY CENTENNIAL

And it will be a wonderful year for you, and for all of us. Because it's Canada's Centennial Year. One hundred years of Confederation, of opportunity and historic growth into a strong important nation. To celebrate, all kinds of exciting projects are underway.

Here in Haliburton County, municipal councils, service clubs, women's organizations, youth groups and individual citizens are planning various activities to

celebrate our 100th birthday.

One of the highlights will be the Centennial Caravan which will have a one-day stopover in Minden some time in August. Our Legion and Rotary parades this year will also take on a centennial theme.

Kicking off the festivities on Sunday, January 1 was the Centennial Hockey Tournament being played in Winnipeg, with teams entered from Canada, United States, Czechoslovakia and Russia.

The tournament will conclude on Friday evening with the Canada team playing the Russian entry.

While projects on the Federal, Provincial and Municipal levels are exciting and stimulating, more important are the projects developed by private groups and individual Canadians like yourself.

"Canada is a great country. And we are all proud to be Canadians." Happy Centennial! Let's have a wonderful year.

HALIBURTON BANK ROBBER GIVEN ONE YEAR

LINDSAY (ENS) — George Robert Guy, 30, of Toronto, was sentenced last Wednesday to one year determinate and one year indeterminate by County Court Judge H. E. Richardson for the armed robbery of the Haliburton Bank of Montreal branch October 21.

In passing sentence at the end of a five-hour trial, Judge Richardson said he would also recommend immediate psychiatric assessment and treatment for the accused.

"We have come a long way from the biblical attitude of an eye for an eye and a tooth for a tooth and also have moved away from the Gilbert and Sullivan approach that punishment must fit the crime," said Judge Richardson.

He told Guy, who pleaded guilty to the charge, that although there was no actual violence and the gun he had in his pocket was never fully shown to the bank staff, the evidence of premeditation must be taken into account.

Judge Richardson termed the disguise worn by Guy "ludicrous". He said, however, because of the gravity of the offence, probation could not be considered.

All of the \$2,521 taken in the robbery was later recovered.

PSYCHIATRISTS TESTIFY

Two psychiatrists testified they did not feel a jail term would necessarily do the accused any harm.

Dr. William Baker, of Toronto, who said he has been treating the accused for seven years testified the significance of the inci-

dent suggested to him that his patient was not inhibited as he once was.

Asked by Judge Richardson if anything could be done to correct this situation, the doctor replied, "Yes... punishment."

Dr. George Darby, a psychiatrist at the Ontario Hospital in Penetanguishene, said two brain operations conducted on Guy within the past few years were ones which tend to relieve conscience. He agreed if the accused was ordered sent to hospital by the court for some length of time, this could present problems.

NOT HARMFUL

"If he goes to jail, I do not feel it will do him any harm. If, while he is in jail, he suffers a breakdown, psychiatric treatment can always be provided," he said.

Dr. Darby said such an institution could provide the deterrent effect and could help the accused in future when he might get an impulse.

"Mr. Guy has the capacity to know right from wrong, but because of impulsiveness he does not use this capacity at times," he added.

Crown Attorney Lorne Jordan, who asked for a severe sentence, said the weapon used was not an imitation. Although the semi-automatic pellet gun contained an empty gas cylinder, it did contain pellets.

He termed the offence a serious one, especially in such a small community and pointed out that many of the bank staff were extremely frightened.

NO RECORD

Defence Counsel James McQuar-

rie said his client has no previous record. He added there was no intention on Guy's part to kill anyone.

Mr. McQuarrie maintained the mental makeup of the accused was emphasized by the offence itself. He termed the offence "ludicrous" and argued anyone intent on robbing a bank would not go about this in such a casual manner.

The lawyer agreed there was some premeditation "but it was an impulsive act."

It is unthinkable that society expects a severe penalty when taking into account this man's long history of mental illness."

Asked if he had anything to say before sentence was passed, Mr. Guy said, "I knew the cylinder was empty. I was aware the gun couldn't be fired."

First witness at the trial was bank teller Ann Schell. She recalled how on the afternoon of October 21, a man whom she identified as Guy, entered the bank and made his way to a desk reserved for customers' use.

PASSED NOTE

She said the man, wearing a bluish-grey beard and trenchcoat, approached her wicket and handed her a note which stated, "give me all your money or I will kill you. You won't be the first. Don't get excited or I will shoot."

Miss Schell said she first handed over marked bills and testified Guy's hands moved to his pocket as he asked if that was everything. I then handed over another roll of bills," she said.

The teller said she was shown (Continued on Page Two)

Haliburton Huskies Host The League All Stars Sat. Night

The Haliburton Huskies have been chosen to host the annual All Star game of the Central Ontario Junior Hockey League. Early in the season an executive was formed to select and plan this year's All Star game.

Albert LaRue was chosen chairman and his duty was to organize the game and obtain permission for the use of our Community Centre for the home of this year's encounter. The executive decided that Haliburton would be the ideal location because of its hockey interest and its terrific fan support.

This annual benefit game is in aid of the Ontario Hockey Association's Emergency Fund for injured players. If a player who is registered in the O.H.A. becomes seriously injured in a game, this player is eligible to collect an amount large enough to compen-

sate for lost time at work and any other expenses caused directly from the injury. The total proceeds from this game will go to this fund. The only people who will be allowed into the arena free of charge are the two coaches. All other executive members will be obligated to pay the admission price of \$1.00 or .50c for children.

Haliburton is noted in all other communities as a hockey hotbed and the fans are noted for their loyalty to their team. It would be an honour to the people of Haliburton if they got behind this big event and supported it to the fullest, by being in attendance.

Let's make this a success and show Central Ontario that you don't have to have thousands of people in population to get a full house, but a community of loyal hockey fans.

Minden Bank Manager Passes Away

Citizens from all over the county were both saddened and shocked when they learned that Gordon S. McKay, Manager of

never seemed too busy to lend a hand in any endeavour that would be of benefit to the community.

At the time of his demise the late Mr. McKay was Treasurer of the Minden United Church, and he also was very active in the Rotary Club and was one of the leading figures in the organization and staging of the Minden Winter Carnival.

The deceased was mainly responsible for the collection boxes placed in various places to collect funds in order to make Christmas just a little brighter for the citizens residing in Hyland Crest Home.

Minden has suffered the loss of an outstanding citizen and the immediate family have lost a loving husband and father, and to them we extend our deepest sympathy.

Guided Tour

Victoria M.P. William Scott took Grade 6, 7 and 8 pupils of Lutterworth Public School on a conducted tour of the Parliament Buildings recently.

he Canadian Imperial Bank of Commerce in Minden, had suddenly passed away on January 1. During his residence in our county the deceased had proved himself an excellent citizen, and

Victoria - Haliburton Aim For Health Unit By July 1st.

LINDSAY (ENS) — July 1, 1967 has been set as the target date for establishing a Health Unit to serve Victoria and Haliburton Counties.

This was decided recently at a meeting attended by representatives of the two counties and Dr. G. K. Martin, executive director of the Public Health Division, Ontario Department of Health.

Costs will be shared on an assessment basis for the first three years with the 1966 equalized assessment being used.

Haliburton will bear 22.5 per cent of the costs with Victoria picking up the remaining 77.5 per cent. All approved costs will be subject to 50 per cent Provincial grant.

Dr. Martin explained that the single Board of Health will be comprised of representatives of both counties.

He suggested that because of a shortage of qualified medical health officers, the councils should aim for a target date of July 1.

It was suggested a committee be formed at the January council session to plan for the new unit.

Advertisements will be placed in newspapers and medical journals seeking applications for the positions of M.O.H., Supervisor of Nurses and Chief Public Health Inspector.

It was also suggested the unit operate from rented quarters because space at the Courthouse Building is at a premium.

Rotary Winners

This week the Rotary Club of Haliburton announced the winners of the best decorated homes contest held during the holiday season.

It was a very hard task for the judges, as there were so many beautifully decorated homes.

The winners were Mr. C. W. Jodgson and Mr. Art Lee.

The Rotary Club would like to take this opportunity to thank everyone who put in so much time and effort in decorating for the Christmas season.

The big holiday season is over and things have returned to normal again, and from all reports drivers in this area must have been using care while driving as no accidents of a serious nature have been reported.

We made a tour during the Christmas season to view the beautiful lights and decorations that adorned many homes in the village. There were so many we are thankful that it does not fall to our lot to judge which one is best.

Out in a small village in Manitoba with a population of 540

persons they really found a novel way of ushering in Canada's Centennial Year. All the out houses in the village were gathered together in one location and set afire. This was possible because the citizens there were anxious to bring the little town up to the modern way of life and have installed a water and sewerage system. Wonder how long it will be before we will take some action in this connection.

For the first time in many years coloured lights brightened the main street of this village. This was made possible by the co-operation of the Rotary Club

and the Dysart Municipal Council who are certainly deserving commendation for their action in this matter. Visitors approaching the town from the foot of Head Lake where they could view them to full advantage were lavish in their comments. These lights certainly added much to the festive season.

Though we have plenty of snow the weather at time of writing is quite mild and the skiing is excellent. On Sunday last car after car could be noticed with skis on top passing through the village for the ski slopes at Sir Sam's Inn.

Haliburton Mentally Retarded Association Objectives

It is the earnest desire of your Association to help all the mentally retarded of our County. The day-school now in operation in a school with Bancroft at Tory Hill, is only a beginning in meeting the needs of those who are entitled to civil rights the same as any other person.

The 18 children enrolled in the day school program are our first obligation, and the need for larger and better facilities are a must in the very near future. These old conventional schools are not geared to the teaching and training needs of retarded children. (Continued on Back Page)

the butt of a gun and she again handed over a bundle of notes. Miss Schell said the accused was in the bank earlier to cash a five-dollar cheque drawn on a Toronto bank.

During cross-examination the teller said the bank employees had a good laugh when they saw Guy enter the building. "His beard looked ridiculous," she added.

Another bank employee, Sherry Schellenberg, said she saw the bearded Mr. Guy walking on the main street as she was returning from lunch. She realized the beard was not real and noticed it was taped to the man's glasses.

Utility bank clerk Keith Conway recalled seeing the accused in the bank shortly before 1:30 p.m. He said he was writing at a counter when he first noticed him. "I rang the alarm. I knew we were being held up," he said. Restaurant proprietor Mrs.

Olga Roberts said she rented the accused a room at the Landmark Restaurant - Hotel about 10 a.m. October 21. She recalled the man asked to borrow a pair of scissors shortly after his arrival.

Ontario Provincial Police Constable Donald Lloyd said on entering the bank after the alarm was raised he was handed a cheque cashed earlier that day. Bank employees informed him the man who committed the robbery was the same man who cashed the cheque.

A search of the room occupied by the accused revealed a quantity of money laying on the bed. Other bills were found under a pillow. One long blue-grey beard was found in a suitcase and another in a dresser drawer.

Also found in one of two suitcases was a pellet gun and a box containing pellets. Tests conducted revealed the pellets fired from the gun would penetrate one-quarter inch plywood at five

feet. In a statement, introduced as evidence, Guy stated he arrived in Haliburton about 5 p.m. October 20 and stayed overnight at a motel outside the village. The statement continued: "I bought three pairs of stockings for my mother. . . then got to thinking about the \$350 I owed."

Const. Gene Whitney testified while he was guarding the accused at Minden he was told by Guy he had gone into the bank to cash the cheque and look it over to see if anyone was likely to panic if the bank was held up.

During cross-examination, Constable Whitney said the accused told him he had been on welfare for seven years and because his \$64 monthly cheque was not sufficient to meet his needs, bills had been mounting up. He said the man told him he felt holding up the bank would be a good way to solve his financial problems.

A fire at the rink club house was discovered by Derwin Barry last Monday morning. Derwin had quite a time making anyone believe it, but the Haliburton Fire Department were on their toes. The only damage is the floor, caused by a heat bulb which was left burning to keep the hose from freezing.

A great deal of credit is due the teachers of West Guilford and Eagle Lake, namely Mr. Prentice, Mrs. E. Cooper, Mrs. H. Smith and Mrs. K. Morrison, also Mr. Hussey, whose Little Operetta at the School Concert was very much enjoyed. The concert also consisted of Carol singing, dialogues and recitations, ending with a visit from Santa and the distribution of gifts for all school age children.

OBITUARIES

BERTRAM Charles Cecil HICKS ELIZABETH FLORENCE HICKS

Mr. Bertram Charles Cecil Hicks and his wife, Elizabeth Florence, passed away suddenly as the result of an automobile accident near Burnt River on Saturday, December 17, 1966.

Mr. Hicks was the second son of the late Charles and Charlotte Hicks (McKnight). He was born on April 27, 1903 at Lochlin, Ontario. On May 22, 1929, he was united in marriage with Elizabeth Minaker, who was the youngest daughter of the late William and Annie Minaker (Casey). Mrs. Hicks was born on August 28, 1904 in Ingoldsby, Ontario.

Mr. and Mrs. Hicks resided in Donald until 1930 when they moved to the Hicks homestead at Lochlin, where they farmed until 1943. Since then Mr. Hicks was employed as a contractor and foreman in the lumbering industry.

Left to mourn the loss of loving parents and grandparents are a son, Gerald, and a daughter, Elva (Mrs. Jack Milburn), both of Lochlin, and seven grandchildren: Beverly, David and Roger Hicks; Don and Ivy Francis, Eric and Scott Milburn. The life of their elder daughter, Muriel (Mrs. Ivan Francis), was also taken in the accident.

Mr. Hicks is also survived by his sister, Annetta (Mrs. Stanley English) of Ajax, and two brothers, Melville of Garson and Eldon of Toronto. Two brothers, Fred and Kenneth, predeceased him.

Mrs. Hicks is survived by one sister, Effie (Mrs. John Drury) of Peterborough, and brothers James of Fenelon Falls, and Russell of Lindsay. Five brothers, Arthur, Ephraim, Manuel, Norman and Wilfred predeceased her.

Mr. and Mrs. Hicks and their daughter Muriel rested at the John Welch and Son Funeral Home in Minden, thence to Ingoldsby United Church for funeral services on December 20th. Pastor Noel McNeill conducted the service, assisted by Rev. Ronald McCaw. Interments were made in the Ingoldsby Cemetery.

Pallbearers for Mr. Hicks were fellow workmen, James Dugan, Cecil Rae, Harcourt Pacey, Grenville Martin, Percy Lymburner, and Harvey McIntosh.

The pallbearers for Mrs. Hicks were their neighbours, Cecil Burk, Orville Hicks, Jack Hill,

Mervin Gilbert, Harvey Minaker, and Russell Robertson.

MURIEL DAWN FRANCIS

Muriel Dawn Francis (nee Hicks) of Lochlin entered into rest suddenly as the result of an automobile accident on December 17, 1966. She was in her 30th year.

Born in Minden Township at Lochlin on May 16, 1937, she was the older daughter of the late Mr. and Mrs. Bertram Hicks.

Mrs. Francis attended the Lochlin Public School and Haliburton High School. She was a member of the Lochlin L.O.B.A. No. 1212 and attended in her early years the Lochlin Sunday School. She was also a member of the Lochlin United Church.

On July 1st, 1955 she married Ivan Francis of Gelert.

Mrs. Francis is survived by her husband Ivan, a son Don, and a daughter Ivy. A brother, Gerald, and a sister, Elva (Mrs. Jack Milburn), both of Lochlin, also survive her.

Mrs. Francis rested with her parents at the John Welch Funeral Home until December 20, 1966. Pastor McNeill and Rev. McCaw conducted the combined funeral services for Mrs. Francis and her parents, Mr. and Mrs. Bertram Hicks, in the Ingoldsby United Church with interment in the Ingoldsby Cemetery.

Pallbearers were three cousins and three nephews of Mrs. Francis, Ivan Drury, Lester Hicks, Fritz Hicks, Francis Walker, John Francis, and Harry Francis.

WEDDINGS

Mr. and Mrs. James Bacon, 65 Glenelg St., Lindsay, wish to announce the marriage of their youngest daughter, Gloria Arlene, to Mr. Bill Arthur Boxall, only son of Mrs. Alice Dugan of Lochlin, Ontario. The wedding took place Saturday, December 31, 1966 at St. Paul's Anglican Church, Lindsay, Ont. The bride and groom will be at home to relatives and friends at the home of Bill's mother at Lochlin Saturday evening, January 14. Everyone welcome.

Card of Thanks

I wish to thank my friends and neighbours for cards received during my stay in hospital, with special thanks to Dr. Good for his kind attention, also the nurses and staff of the hospital. I would also like to thank Boice Motors and their employees for their kindness during my illness. Roy Stackhouse.

We wish to express our heartfelt thanks and appreciation to relatives, friends and neighbours for the kindness and sympathy shown us in the loss of our eldest brother, John George Cox, on December 2, 1966. Special thanks to all those who sent flowers and cards, Dr. Service, Dr. Griffiths and the nurses of the Ross Memorial Hospital for the tender care received by our brother while there, also the Rev. L. Smith for his consoling words and the John Welch and Son Funeral Home for their consideration.

The Family of the late
Mr. and Mrs. Joseph Cox.

The family of the late Muriel Francis wish to express their sincere thanks to relatives and friends for their messages of sympathy, floral tributes, and acts of kindness shown them in the loss of a wife and mother, also grandparents Mr. and Mrs. Bertram Hicks. Special thanks to the women of Lochlin who so willingly gave so much of their time, Rev. McCaw and Pastor McNeill and the John Welch Funeral Home. Thank you. Ivan, Don and Ivy.

We would like to express our sincere thanks and appreciation to friends, neighbours and relatives for cards, flowers, baking, donations for memorial fund, expressions of sympathy and kindness shown us in our recent loss of our mother, father and sister, Mr. and Mrs. Bert Hicks and Mrs. Muriel Francis. Special thanks to Pastor McNeill, Rev. McCaw, John Fleming, the John Welch and Son Funeral Home, Orville Hicks, Mrs. Melville McKnight, ladies who helped at the house, officers of the O.P.P. and the many others who helped in various ways.

IN MEMORIAM

GAINFORTH — In loving memory of a dear father and grandfather, John Gainforth, who passed away December 31, 1965. So many things have happened since you were called away, so many things to share with you had you been left to stay. What I would give if I could say Hello Dad, in the same old way, to hear your voice, see your smile, to sit with you and chat awhile. So if you have a Father, cherish him with care, for you'll never know the heartache till you see his vacant chair. —Always remembered and sadly missed by daughter Greta and grandson LeVerne.

Minden W.I. Hold Christmas Party

The members of Minden Womens Institute had their Christmas Party on Thursday, December 15 with the residents of Hyland Crest Home. All residents received a small bit of holly as they entered the auditorium.

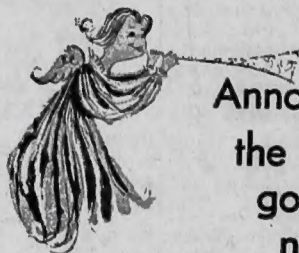

Mrs. W. McArthur was chairman for the short programme with music by Mrs. P. Clarke. The programme was the Christmas Story by Mrs. E. Noice, a reading, carols, and a presentation of individual gifts to the residents.

Corsages were presented to the

life members, Mrs. W. A. Welch, Mrs. J. Graham, Mrs. J. Fairfield and Mrs. F. Wright, and these ladies were introduced during the evening. Mrs. A. S. Kernohan made a presentation of a small gift to Mrs. McArthur, who was soon leaving for a winter vacation.

Following this the crowd adjourned to the brightly decorated dining hall where lunch was served and a social time enjoyed by all.

The ladies of the W.I. were pleased with their reception and felt that the ladies and gentlemen found the evening enjoyable.

Congratulations To Wilberforce Firemen

Here we are into another winter, when people will start putting on more fires as the nights get colder, and precautions will have to be taken, as it is known in the past that stoves have been known to get over-heated, both wood stoves and oil stoves, which call for careful handling. When anything does happen, that a chimney or any other fire should occur, do not get excited and try to handle it yourself, then finding out that it is getting away on you and then expect our Fire Department to come up and put it out before much damage is done. That is not fair to them.

As soon as you see such things the first thing to do is call the Firemen, they will respond at once. You only have to call the Telephone Operator. It does not matter if it is daytime or nighttime, they are always on the job, and if we follow their advice we have something to be thankful for. There are other things that the Firemen will take care of, that is if anybody should get hurt or get sick or any other conditions that requires special care. You can depend on them to do everything that can be done until further aid is required.

We are grateful here and around the country to the Firemen who have done such a grand affair in the way they have handled all situations when called to do so. We are very proud of you all.

I think we all should be Firemen, but not in the way they are. Our way would be to help them with donations of some kind which would help to carry on, as they are now and in the future. We then can help to build the fire to put out fires.

Our congratulations men, and may 1967 be a very successful year with all our help.

Variety Show Staged At Minden

Recently members of the Fenelon Falls Senior Citizens Club journeyed to Minden where they entertained residents at the Hyland Crest Senior Citizens' Home with the variety show recently produced by club members.

The show was sponsored by the Minden Rotary Club. Performers in the show were: Mrs. Brandt Phillips, pianist; Jamie Phillips, soloist; Art Osler, harmonica player; Capt. and Mrs. Dirk Krommenhoek and their children Cora and Joey who were dressed in native Holland costume, sang a number of Christmas Carols and songs in English and in Dutch.

Mrs. Joe Deane and Mrs. Violet Greggs, Fenelon's "Go-Go" dancers, dressed in mod costumes, proved a show stopper.

Mrs. Joe Deane, dressed in gay nineties attire, sang an old vaudeville favourite, "Waiting at the Church."

George Laidlaw, the "Great Zanoni", entertained residents with his magic.

Tom Gunton was Master of Ceremonies and Mrs. George Laidlaw, Mrs. Tom Gunton and Harold Coulter were the backstage crew.

The Minden Rotary Club presented a cheque to the Fenelon Club to be used for the building fund.

CARNARVON

(Intended for December 22)

Mr. and Mrs. Richard Harrison were visitors in Peterborough last Wednesday.

Visitors in Lindsay last week were Mr. Jack Gregory, Mr. and Mrs. Ron Fennell and David, Mrs. Max McKay, Barbara Newell and Mrs. Hussey and Ralph Hussey.

Mr. and Mrs. Alf Wills and Mr. and Mrs. Stan Archer are home from their Florida vacation.

It was a great shock to the community to learn of the sudden death of Mr. Basil Sisson of Orillia last week. Among the many relatives and friends who attended the funeral on Saturday were Mr. and Mrs. Ross Harrison, Mr. and Mrs. G. Allcorn, Mr. and Mrs. Lee Sisson, Mrs. Alex Hewitt, Mrs. Ed Harrison, Mr. and Mrs. Bert Harrison, Mr. Allan Sisson and Mr. Victor McBrien. Our deepest sympathy to the bereaved family.

The Christmas meeting of the U.C.W. Fellowship Group was held on Monday night at the Christian Education Building. Ladies from Maple Lake were guests and members of the Afternoon Group were also present.

May we take this opportunity of extending the season's greetings to our readers, and to all who phone in news items throughout the year.

Sutton Drops Out Of Junior Hockey League

Santa Claus upheld tradition with bounteous Christmas gifts as will always be his custom. This year however, he was more than generous in an unexpected area. Actually Sutton Juniors played Santa Claus to six other teams in the Central Ontario Junior Hockey League, when by their withdrawal, gift points were handed out at the appropriate time.

Haliburton Huskies, who only had played one game with Sutton were probably the most blessed with a six point gift, but their individual players aspiring to a scoring championship are likewise deprived of a number of goals they would probably have scored in three games against Sutton.

Lakefield had the scoring benefit of three games played with Sutton, but by the same token, only received a two point gift.

Minden Game Re-scheduled

A Tri-County Senior Hockey League game which was scheduled for the Minden Arena on Friday, December 30, was postponed when the Minden Club could not get ice time. The visitors were to have been the Haliburton Merchants.

The game has been re-scheduled for later on this month.

Haliburton Merchants Receive Bye Into O.R.H.A. Play-Offs

The Haliburton Merchants who are in first place in the Tri-County Senior Hockey League have received a bye into the O.R.H.A. Play-offs.

The local team will finish out the Tri-County League schedule

and then take part in the league play-offs for the Garnet Graham Trophy. Following this the Merchants will wait and see who they will be meeting in the first round of the O.R.H.A. Play-offs.

The Merchants, who are loaded with exceptional hockey talent, are one of the best intermediate hockey teams Haliburton has had for many years. If the team continues to play their usual brand of hockey they could go on to take the Tri-County League Championship and also an O.R.H.A. Championship.

Graham Joins TPT Petes

Don't look now, but a close look at the O.H.A. Junior 'A' Peterborough TPT's might just reveal Lindsay Merchant's pride and joy, their stalwart defence-man with 15 goals and 17 assists in fifteen games, in a TPT uniform at the Memorial Centre. We refer to George Graham of course.

Lindsay Merchants Club President Cyril Gerster reported this week that big George will be definitely playing Junior 'A' hockey with the Peterborough TPT's. All the best George.

HOCKEY NOTES

As we go to press we have been informed by Harry Brohm, coach of the Haliburton Merchants, that his team is trying to arrange an exhibition hockey game with a top notch team from General Motors in Oshawa.

The game will be played later on in January at the arena in Haliburton.

Gregory Claims Education Hurts Puckists

TORONTO (CP) — Jim Gregory, who supervises the Toronto Maple Leafs' amateur system, feels higher education is draining the flow of professional hockey potential.

Gregory, who has been associated with the National Hockey League Leafs for several years, watched a game between Cornell and York universities last week.

Three of the Cornell team had performed last season with the Leafs' Junior 'B' farm team and Gregory felt that their play showed a deterioration of fine talent.

Huskies Lose To Stouffville On Defensive Errors

Friday evening at the local arena saw a very exciting, but a very disappointing, game of hockey. Although the Huskies outplayed the visiting Stouffville club they lost the game by a 6-5 score. Many of the faithful supporters thought that the Huskies put together one of their best if not the best game of the season.

The lead changed hands five times during the game, so you can tell that the game was never in the bag for either team. Larry Sawyer who is having a terrific year in the scoring department opened the scoring at the 2:55 minute mark on a pass from Ron Stackhouse. Four minutes later Aida of the Clippers tied the match when Mike Easton deflected the puck into his own net behind the startled and surprised Larry Hartin. This was a bad omen for the rest of the game because there were no fewer than three goals credited to Stouffville that were actually knocked into the net by Husky defencemen. At 11:03 Craig Stamp scored on a slap shot from the point on a Husky power play goal. Stackhouse received the assist.

Gaston tied the game once more in the second period at 4:38. Larry Sawyer put the Huskies in the lead with his second goal at 7:00 minutes with help from Stamp and Stackhouse. Stouffville then broke loose with two fast goals to take the lead in the game for the first time. It appeared that the period would end that way but as time was running out George Simmons scored to tie the game once again at 4:4. Stamp and Garthshore received assists.

The third period was played in a little more cautious style than the first two. It wasn't until the 11:00 minute mark that a goal was scored. This time it was Lyle Sawyer who scored on a pass from Simmons. At this time it looked as though the Huskies would stay ahead for the remainder of the contest, but as the games are 60 minutes long the score is never final until the last whistle is blown. Two minutes later the Clippers evened the score again and then went ahead near the 17:00 minute mark when a defenceman knocked the puck into the net for the third and last time. The Husky goalie was pulled to no avail as the Clipper goalie kept the Huskies at bay. There were several last second opportunities but the puck wouldn't roll for the hometown boys.

ICE CHIPS:

Larry Hartin was cut for five stitches on a deflected shot in the second period. Dave Dollo, the Huskies second goalie, took over for the remainder of the period and did a creditable job. Hartin returned in the third to finish the game.

The Huskies have five remaining games left to play and the standings are so close that the teams who make the playoffs will not likely know until the final days of the schedule.

The withdrawal of Sutton gave the Huskies six points because there were three games that had been played as yet.

Every game is now very important because of the tightness of the league standings and the winning ways of the Lakefield Coyles. The Huskies urge the hockey fans to attend every game possible because your support is very important in the five remaining contests.

Neil Hewitt has been successful in gaining employment in Colborne. This will restrict Neil to home games on the weekends as is the case with Gary Garshore.

Some of the local Midgets have bolstered the lineup when necessary. They are namely Jim Allen, Paul Wilson, Carl Konsack and Gordon Scheffee. These players along with three others on the team makes up for a pretty young hockey club.

Lindsay Team Nips Oakwood With Late Goals

LENDASAY (ENS) — Two goals in the last 90 seconds of play gave Lindsay's Midtown Tigers a 3-4 win over Oakwood Flyers in Lindsay last Friday in Tri-County Hockey League play.

Lindsay markers came from Donald Bowery, Gord Froeking, Jim Sage, Bill Deschamps, Garry Lywood and Gary Weightman. Oakwood marksmen were George Frain with three, and Charles Teel.

Midtown Tigers led 3-2 entering the middle frame, and with only 90 seconds remaining the teams were deadlocked 4-4.

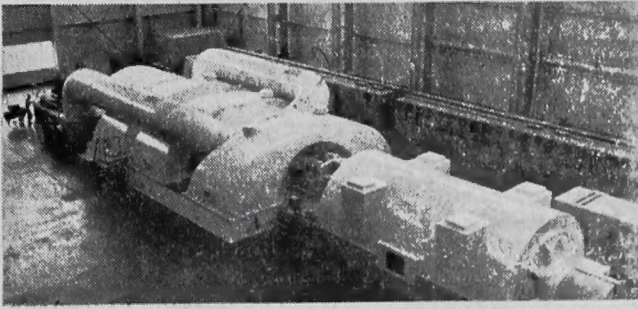

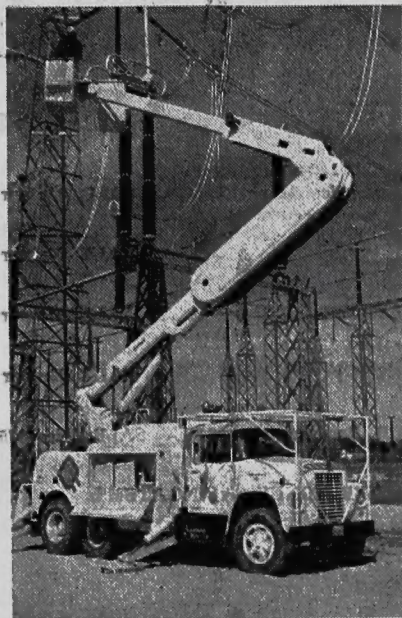

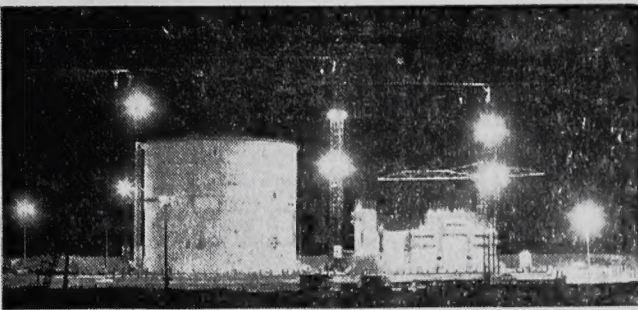

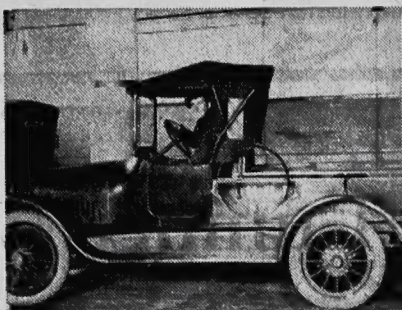

Busy Weekend For Merchants

The Haliburton Merchants, leaders of the Tri-County Senior Hockey League, have a busy weekend ahead.

On Thursday night (to-night) they will be meeting the Oakwood Flyers in Oakwood.

Th's Saturday night they travel to Cobocok for their first game with Burnt River.

On Monday night, January 9, they will be meeting the Oakwood Flyers here at the Haliburton Arena. This should prove to be an outstanding game as Oakwood were last year's champions.

Ontario Hydro celebrated its diamond jubilee in 1966. The contrast between the old vehicle (upper left) and a new bucket-truck, below, tells the story of changes in Hydro's operations in those 60 years. In the next 10 years existing generating capacity will have to be more than doubled to meet power requirements. Thermal stations, both coal-fired and nuclear, will play a major role in this. The reactor at Douglas Point, Canada's first full-scale nuclear plant, went into operation late in the year. Construction of Hydro's Pickering nuclear station, east of Toronto, continues day and night (upper right). In these stations a controlled nuclear reaction takes the place of burning coal in the production of steam. The electricity is generated by conventional equipment like this turbo-generator at Douglas Point (centre right). Hydro-electric stations will continue to play an important role—new plants are being built and the capacity of existing ones increased. Forms for water-carrying tubes of a two-unit extension at Barrett Chute on the Madawaska River are shown lower right.

Weldwood Builds Veneer Mill

TORONTO — Weldwood of Canada has started construction of a birch veneer mill at Searchmont, 30 miles north of Sault Ste. Marie, it was announced by Peter Rogers, Vice President, Central Manufacturing Division, who is headquartered in Toronto.

Expected to be in operation next March, the mill will be located in a 30,000 square-foot building that formerly housed facilities for manufacturing core-stock for the company's plywood plant in Woodstock, Ont. Cost of the project is estimated at \$350,000.

The company also operates a sawmill at Searchmont with an annual productive capacity of 10-million board feet and has extensive timber holdings in the region.

Weldwood's central manufacturing division recently transferred its headquarters to Toronto from Woodstock where it has a hardwood plywood plant, a pre-finishing plant and a veneer mill. The division's other wood converting facilities in Ontario include a poplar plywood plant at Longlac, a sawmill and hardwood flooring plant at Huntsville and a sawmill at Haliburton.

Haliburton Mentally Retarded

(Continued from Page One)

Better quarters are earnestly sought for and planned as the teachers are greatly handicapped under present conditions.

A second step in helping our retarded would be a workshop where those past school age could be trained and gainfully occupied. This also the association is eager to implement, as idleness in this age group brings much concern for their social welfare. The saying, "an ounce of prevention is worth a pound of cure" certainly applies to the below normal mentality in our midst. To see them gainfully employed and wisely supervised will save dollars in the years to come, and spare much worry and sorrow to those involved.

In order to carry out the two programs mentioned more efficiently, our county should have a special residence, where those who need supervision above that which their homes are able to provide, could be cared for. Sickness or death in a home sometimes causes acute problems. Not everyone is willing, or able to give a roof to mentally retarded. They need special attention and care.

In the past, the large government owned and operated hospital school of a few thousand residents, was the only recourse parents had for their children when home problems became too heavy to bear. These schools are mostly far removed from the local community and are another hardship for families involved with mentally retarded.

A community residence in the County would be a haven or refuge for all who would need help in caring for retarded beyond what the home is able to supply.

Help should be available at all times, instead of endless waiting for entrance to a government home when their turn comes. Emergencies arise, and parents also need a break from the strenuous strain cast on them by these special children. Some will need a permanent home, others maybe only a short term, but there must be an open door to all, any time a need arises.

Some of these in residences could go to the day school program, others to the sheltered workshop, while still others might need more of a home-care program. Such help has been a long time coming to these forgotten citizens of the past. But a new day is here, and the public by and large is accepting all Association efforts to remedy the ills of years gone by.

It is a grand feeling of satisfaction to know that the people of Haliburton County are standing behind the efforts of their Association for the Mentally Retarded.

Your participation in fulfilling these objectives will be greatly appreciated. Should the canvassers in the recent fund drive have missed your home, your donation will still be graciously received by the Treasurer, Mr. Gerald Dawson, Haliburton.

The Executive.
